WHATEVER YOUR JOB...

# Horsham Churches Together

# Discipleship for the workplace

We are a multi-denominational bunch of Christians who want to see God glorified in the world of work and business - to transform people, our cities and the nation.

*Your Kingdom come, your will be done on earth as it is in heaven*

We are passionate about whole-life discipleship and want Christians to be fully who they are in Christ wherever they work in a turbulent and unpredictable world.

## Why you should sign up to Transforming Work

Regardless of where you work, and whether your work is paid or voluntary, this course is for you if you want:

- to discover a richer way of working
- the abundant life of Jesus to embrace your working life
- to apply your faith in God to change your view of your workplace
- to work and witness for God's Kingdom
- to see God's will be done in your workplace

# ignite What is the TW programme?

---

The programme covers questions like:

- Why does our work matter to God?
- How can I do good work?
- How can I flourish at work?
- How can I influence the culture of my workplace?
- How can I improve my relationships at work?
- How can I share my faith at work?
- How can I tackle workplace issues with Biblical principles?
- How can I remain faithful over the long-term?
