

Become a Fairtrade Place of Worship or Recommit to Fairtrade

By supporting Fairtrade, churches, mosques, synagogues, temples and other places of worship become part of the global Fairtrade movement.

There are lots of ways to support Fairtrade, but just two core requirements to be awarded Fairtrade Place of Worship status or to recommit to Fairtrade.

1. Use Fairtrade products wherever possible (at least tea, coffee and sugar) and share information about Fairtrade products with your wider congregation.
2. Integrate Fairtrade into the life of your place of worship, at Fairtrade Fortnight or other times of the year. e.g. through events, stalls and worship.

Apply to become a Fairtrade Place of Worship or renew your status every 2 years, via the Fairtrade Places of Worship online platform.

- Sign in and download the free recommitment guide.
- Save the application and return later to complete the questions.

Eco Church is a free programme to help churches celebrate what they are doing to care for the environment and decide what to tackle next.

The Eco Church survey's Community and Global Engagement question 10 includes: Our church uses recognised accreditation schemes/organisations that encourage action on environmental and social justice issues, when making decisions about purchasing, etc. such as Fairtrade Place of Worship.
